

TRIVIA LEAGUE RULES & REGULATIONS

Game Play & Teams:

1. When registering, teams may include up to 6 regular players, and 2 alternates as their team "roster". You are NOT required to have a full roster, but these members are the only ones allowed to compete in the playoff. Must have a minimum of 2 players to compete in the playoffs.
2. During regular weekly trivia play, the entire roster is not required to be present for your score to count. As long as at least one member of the team roster is present, and you use the team name you registered under, the score will count towards league play.
3. When it comes time for the playoff Tournament, teams will be limited to the 6 primary team members that are registered, then moving on to the 2 alternates, if any of the main players have a scheduling conflict. If other substitutions are necessary, we will do our best to allow it, within reason. This is only to prohibit teams from bringing in their "cousin Jen Kennings from Seattle" to play in the tournament, when they have never played with them during league play.
4. As usual this is a test of your knowledge NOT what you can google! If you team is caught using a phone or other device to search answers you will be penalized.
5. You must be a member of the league and played in at least 3 games to participate in the playoff game on June 25th
6. Members may only register to be a member of one team.
7. No shouting answers
8. You must have a minimum of 12 points by June 25th to participate in the Playoffs - Maximum of 10 teams!
